Student Housing

The University of Gdansk provides a limited number of places in its dormitories. Upon submitting a signed Learning Agreement in ESRS, students will receive detailed email instructions on how to apply online for student housing. The booking system will be activated at a specified time and date, ensuring all students have equal opportunities to apply. The allocation of housing operates on a first-come, first-served basis, meaning not every student may be accommodated in a dormitory. Housing assignments will be announced approximately one month before the arrival date. The cost of accommodation ranges from 590 to 730 PLN (€140 - €170) per month, depending on the dormitory.

Students also have the option to book a place at UG-approved private accommodation - Student Depot in Gdańsk. To secure a spot, students should contact the dormitory directly. For further information, please refer to the link provided below:

Language requirements

The required document is the **Online Linguistic Support (OLS) Language Certificate**.

The OLS must certify at least the minimum language level agreed on in the interinstitutional agreement signed by the home & host university.

Health Insurance

EU students are required to obtain a European Health Insurance Card (EHIC) issued in their home country, valid for the whole period of their stay at the UG.

For more information, please visit the web page of Polish National Health Fund (NFZ).

Non-EU students are required to obtain commercial health insurance valid for the whole period of their stay at the UG; it must provide coverage for medical expenses, treatment and assistance in transportation that might be required in emergencies.

Please note that proof of health insurance will be verified upon arrival. Failing to present such will result in rejection from the Erasmus+ programme at the University of Gdansk.

Residence Permit

EU citizens don't need a visa to study in Poland. They are allowed to stay without official permission for up to 3 months.

EU students willing to stay longer must obtain a certificate of temporary residence for an EU citizen from URZĄD WOJEWÓDZKI in Gdansk.

Non-EU/EEA citizens may enter Poland with a valid travel document (passport) and a visa (if required/subject to the country of origin). Visas can be obtained from the Polish consulate in the student's country of residence.

Students are obligated to apply for a visa for the whole period of their stay in Poland.

Detailed instructions on filing for a residence permit are given during the Orientation Days organised by the Erasmus+ Office.

For EU & Non-EU/EEA citizens

With all questions regarding registering the residence in Poland, please contact Ms Joanna Krajewska at the **Welcome Centre**:
