VISA & PERMIT OF STAY

All visiting students coming to Pavia and remaining longer than three months **must register with the immigration authorities** as soon as they have an address in Pavia. **Non EU Citizens** are required to apply for a study visa prior to leaving. Applications should be made at their nearest Italian Embassy or Consulate. In this case, they might need a letter of acceptance to ask for their visa. Students are invited to start these procedures well in advance their planned visit to Italy. These procedures are subject to change so it is worthwhile telephoning the embassy or checking the website for information before going personally to the visa office.

For more information, check our [Visa information webpage](#).

Once you arrive in Pavia you must report to the immigration authorities **within 8 days**. You should go to the **HELP DESK FOR INTERNATIONAL STUDENTS, at the Pavia Police Station** where you can get all the necessary information regarding the permit of stay application.

For more information, check our [Permit of stay information webpage](#).

COVID INFORMATION

All the information about Covid issues will be constantly updated on our [Covid information webpage](#).
