

Call for Papers: Linear Algebra and Its Applications Special Issue in Honor of Dan Sorensen's 65th Birthday

We are pleased to announce a special issue of LINEAR ALGEBRA AND ITS APPLICATIONS (LAA) in honor of Dan Sorensen's 65th birthday in the year 2011.

All papers submitted must meet the publication standards of LAA and will be subject to the normal refereeing procedure. In particular, we encourage papers related to Dan's work areas, including

- large-scale eigenproblems,
- model reduction,
- numerical optimization,
- numerical linear algebra in applications,

but other papers within the scope of the journal are also welcome.

The deadline for submission of papers is May 1, 2010.

Please send your submission as pdf document by email to any of the following guest editors, following the guidelines for LAA submissions to be found at
